Anglepoise + Paul Smith Type 75 Floor Lamp Edition Three

The Anglepoise Type 75 Floor Lamp was designed by Sir Kenneth Grange. The floor lamp is a great addition to the Type 75 collection and is ideal for task lighting in an office or workspace. The classic structure of the floor lamp is available in both desk lamp and mini-desk lamp versions.

Anglepoise + Paul Smith Type 75 Floor Lamp Edition Three has its own special story. Smith features bold primary colours and provides excellent illumination which is based on the De Stijl movement. Edition Three would make a great feature in a reading area or workspace due to its moveable neck.
