Anglepoise + Paul Smith Type 75 Desk Lamp Edition Two

Anglepoise + Paul Smith Type 75 Desk Lamp Edition Two was designed by Sir Kenneth Grange in collaboration with Paul Smith. This lamp is a contemporary version of the classic Type 75 design by featuring Paul Smith's recognisable use of lively colours and design elements blended into the retro shape.

The lamp comes in different editions, each with its own story told through the colours chosen. For instance, **Edition Two** has warm and rich hues that create a cosy autumnal atmosphere. This task light is perfect for any office or workspace. Additionally, the colours of this lamp are also available in a mini table lamp and a floor lamp.
