PRODUCT DESCRIPTION

Designer: Yuchen Wu

Normann Copenhagen Bubba Wall Light

Normann Copenhagen Bubba Wall Light by Yuchen Wu is a delicate and characterful light which was inspired by soap bubbles and how they drift into each other, forming detailed bubble clusters. This minimalistic wall light boasts an aesthetic that adapts to any space.

Bubba is crafted from etched opal glass and is also available in two different-sized pendants and a ceiling light. Every bubble is individual in size and shape, making a design that appears different from each viewpoint.
