Arturo Alvarez Ura 304 Pendant

The Arturo Alvarez Ura 304 pendant is a testament to its remarkable craftsmanship by the experts at the Spanish lighting company. The delicate folds of the shade allow light to melt through, creating a visually delightful pattern that will decorate the surrounding walls and floors.

The Ura family includes a floor lamp, three pendants and a table lamp. The Ura pendants look stunning hung together in a cluster or individually in any residential or commercial setting. Each pendant is made from painted stainless steel mesh and suspended from the ceiling by a 150cm cable.
