Davide Groppi Neuro Suspension CLEARANCE EX- DISPLAY

SOURCE: <https://www.davidvillagelighting.co.uk/product/davide-groppi-neuro-suspension-clearance-ex-display/10001306>

PRODUCT DESCRIPTION

Davide Groppi Neuro Suspension

Ex-Display, boxed in non-original packaging. Some signs of wear and tear.

Includes 5 wall clamps. One wall clamp has been used so will require additional adhesive (see images)

5x kinks in the cable where wall clamps have been used.
1 x Available.

The Davide Groppi Neuro Suspension is a simple project, almost a revival of the old electrical wiring. A plug, a cable, some isolators, a socket and an LED light source. The idea is to bring light wherever you like, starting from a wall socket. This is a great option when you want to utilise a suspension light but don't want to hardwire – ideal for use over a dining table or bedside.

Create your own unique design starting by positioning the lamp head over the surface you want to illuminate, then work backwards mapping out the 5 clamps wherever you want on the ceiling and walls back to the socket.

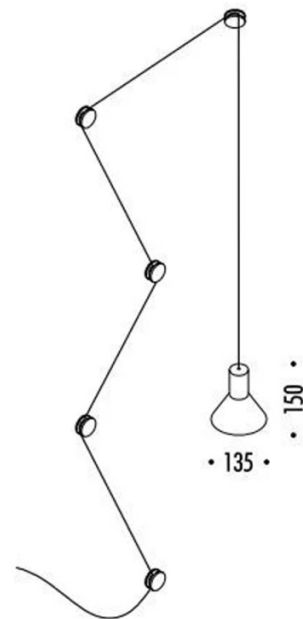

PRODUCT SPECIFICATION

Light Source: 1 x Max 15W E27 LED (included)

IP Code: 20

Dimming: On/Off via socket switch.

Dimensions: Shade: Ø13.5cm
Shade Height: 15cm
