Nemo Lighting Lampe De Bureau Floor Lamp

Nemo Lighting Lampe De Bureau Floor Lamp was created by French architect and designer, Charlotte Perriand. Nemo has reinvented the Lampe De Bureau Lamp collection from the original shade which was made in 1965. Perriand's inspiration for the lights was the need to illuminate faces reflected in the mirror on a piece of furniture. This floor lamp paired with a cosy armchair makes for a great reading lamp.

Lampe De Bureau Floor Lamp has a moulded glass shade exterior has a bold colour whilst the inside remains minimal and white. The shade is then attached to a dark grey steel stem which is stood upon a square base with the on/off switch. The shade is available in 6 bright colours to suit all residential settings and stands at 120cm tall.
