Le Klint 224 Wall Light Anniversary Model

This latest Wall Light by Le Klint has been created as a tribute to the unique and iconic SAX lamp, the special 70th anniversary model has been developed in collaboration with the descendants of designer Erik Hansen. To differentiate it from the original 224 Model Wall Light, all fine details come in a sleek brass finish, and the power cable now boasts a braided linen cord. The 224 Anniversary Model features the same classic hand-pleated Le Klint paper shade and the structure is available in either a soft untreated Danish oak or a darker smoked oak.

The Le Klint 224 Wall Lamp utilises an elegant design that can easily adapt to both classic and contemporary interiors, the shade diffuses the light source and results in a soft ambient glow that perfectly compliments the artisanal style. This Le Klint wall light also features a scissor mechanism on the wall bracket, allowing you to adjust and angle the lamp however you like.
