PRODUCT DESCRIPTION

Designer: Konstantin Grcic

Flos Noctambule High Cylinder LED Floor Lamp

Flos Noctambule High Cylinder LED Floor Lamp was designed by Konstantin Grcic in 2019. These standing jar lamps interconnect with each other and can reach a height of 217cm. The transparent, blown glass cylindrical structure is attached to a die-cast aluminium base with internal hydroformed steel arms and injection moulded optical opal silicone outer ring diffusers. The cable is 180cm long with a pedal panel which is used to operate the dimmer control. The light intensity can be amended by 10% to 100% in either direction.

The [Noctambule collection](#) includes a matching pendant.
