Flos Romeo Moon Floor Lamp

The Flos Romeo Moon Floor Lamp provides ambient illumination, which is diffused through either a clear glass or soft fabric shade. The structure consists of a grey-painted steel stem and die-cast aluminium base, with the cable featuring an integrated dimmer which allows you to personalise the brightness. The Romeo Moon Floor Lamp is a contemporary take on a classic lamp silhouette, no matter which material you choose this floor lamp produces a soft downlight that is also reflected through the small gap at the top of the shade.

Flos Romeo Moon Floor Lamp is a beautiful addition to living rooms, hallways, bedrooms and dining spaces. Creating a cosy environment to relax and unwind after a long day. The Romeo Floor Light is a practical lamp that is perfectly suited to contemporary interiors in residential and commercial sectors.
