PRODUCT DESCRIPTION

Designer: Bent Karlby

Lyfa Ergo Table Lamp

Lyfa Ergo Table Lamp was designed by Bent Karlby. Ergo Table Lamp features a luxury wooden stand in either walnut or oak and a premium three-layered opal glass shade. The plastic shade has now given way to a glass shade which is now available in two different colourways: grey and sand. When lit, the interior glass glows softly white, while the exterior glass shade adopts a pleasant warm ambience. The darker the room, the more magical the outcome becomes.

The Ergo Table Lamp conveys relaxed, diffused lighting to its surroundings through its multi-layered design. [Lyfa Ergo collection](#) also includes a pendant in the two same colours.

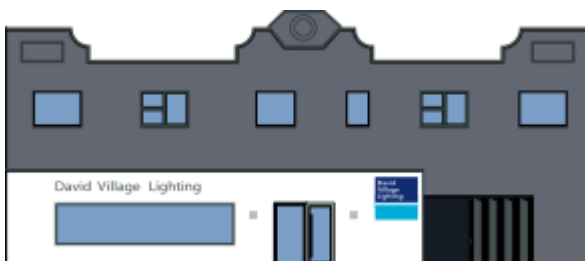

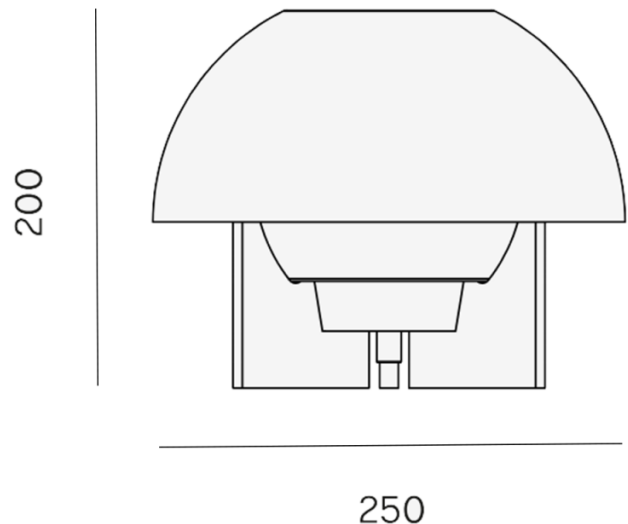

PRODUCT SPECIFICATION

Light Source: 1x Max 40W, E27 (Excluded)

IP Code: 20

Dimming: In-line dimmer switch on cable

Dimensions: Height: 20cm
Diameter: Ø 25cm
