PRODUCT DESCRIPTION

Designer: Pablo Pardo

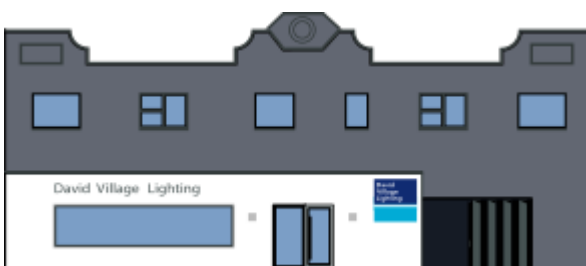

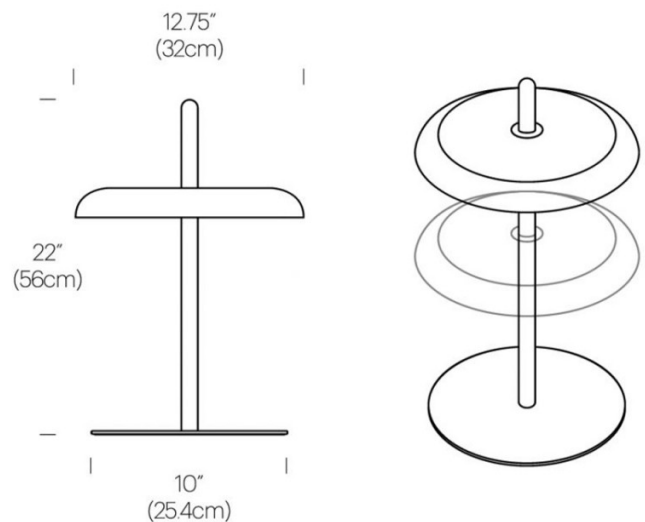

Pablo Nivel LED Portable Lamp

The Pablo Nivel LED Table Lamp is a highly personable lighting solution available in a range of colours. The circular head of the Nivel lamp houses an integrated LED light source and easily moves up and down the wooden post. Thanks to a friction collar, this head can be fastened securely at varying heights. The Pablo Nivel is portable and rechargeable, allowing you to move it from room to room and bring light to areas not serviced by power outlets.

The Pablo Nivel Table Lamp produces a soft ambient downlight, providing you with a glare-free and unobtrusive light source for your residential or commercial space. Nivel is easily personalised, you can choose between an Oak or Walnut finish and is paired with a powder-coated shade in White, Terracotta, Forest Green, Slate Blue, Espresso or Black.
