PRODUCT DESCRIPTION

Designer: Nahtrang Studio

Axolight Paralela LED Floor Lamp

Axolight Paralela LED Floor Lamp was designed by the Spanish design studio, Nahtrang. The designers were inspired by the idea of tightened light. The modular floor lamp stemmed from a quest to lend shape to light so that the light itself becomes a tangible decorative luminous element. The light-filled borosilicate glass cylinder is attached to a sleek 128.1cm metal pole and a Ø 30cm diameter base.

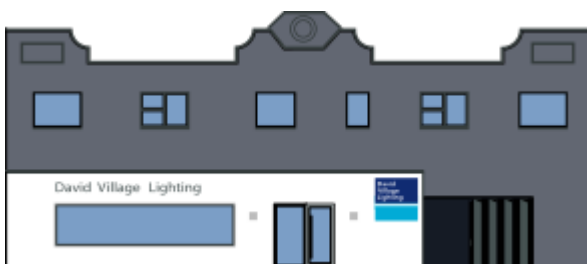

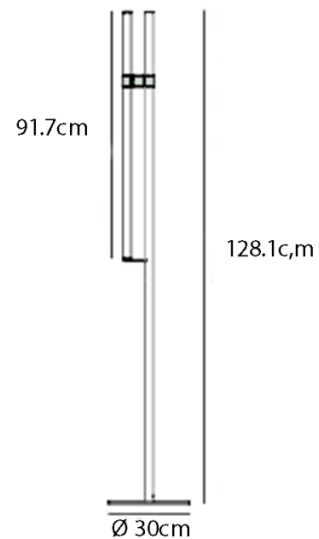

Axolight Paralela LED Floor Lamp is a part of a modular and multidimensional family which includes both horizontal and vertical pendants, a table lamp and wall lights, in different sizes. This captivating Paralela LED Floor Lamp is available in greige and black.

For more information on the colour finishes, please [contact us](#).
