PRODUCT DESCRIPTION

Designer: Patrick Jouin

DCW éditions Light Me Tender LED Wall Light

The DCW éditions Light Me Tender Wall Light was originally designed for the bathroom, but can be used in other areas of your home. Consisting of a glass diffuser and an aluminium mount, Light Me Tender projects a warm and intimate illumination, created to resemble the shades of dusk and dawn - making it perfect for use in early mornings and late nights. The silhouette is minimal, likened to that of a singular cloud in the sky, and is available in two orientations; choose between the Vertical or the Horizontal version.

Designed by Patrick Jouin, the Light Me Tender is elegant and embodies simplicity. The cosy illumination is a beautiful addition to bathrooms, providing you with a soft glow while you get ready in the mornings or an inviting ambience at the end of a long day. This wall light can also be used in spaces such as hallways, entryways, kitchens or even bedrooms.
