PRODUCT DESCRIPTION

Designer: Snøhetta

Lodes Volum Ceiling / Wall Light

The Lodes Volum Ceiling/Wall Light is a highly functional lighting solution designed by Snøhetta. This ceiling/wall lamp offers you the choice between four varying sizes (14, 22 and 29cm in diameter), with all four featuring a glossy white blown glass spherical diffuser with a silicone wall mount that blends seamlessly. This minimalistic design provides your space with functional and inviting illumination whilst also providing an eye-catching design. The Lodes Volum explores the concept of 260-degree lighting, offering the same level of function at beauty at any angle in your room.

Thanks to an IP54 rating, the Lodes Volum Ceiling/Wall Light ensures protection against external agents such as dust or splashing water and enables the lighting solution to be used in damp environments such as bathrooms, wetrooms or spas. It can also be displayed individually or in clusters on your ceiling or wall, the distinct shapes intuitively compliment one another to form unique compositions.

Please Note: The Lodes Volum Ceiling/Wall Light can also be supplied with a mount that can be attached to mirrored surfaces. Please [contact us](#) for more information and pricing.
