PRODUCT DESCRIPTION

Designer: Rodolfo Dordoni

Foscarini Chapeaux M LED Table Lamp

Foscarini Chapeaux M LED Table Lamp was created by Italian designer Rodolfo Dordoni. The minimalistic architect and designer created this unique table lamp using mouth-blown glass for the base and an aluminium shade which has been sprayed with a bold colour. The light source is located within the shade therefore exposing the wire through the glass body. When Chapeaux is switched off, the glass body almost becomes invisible but reappears once turned back on.

Chapeaux M LED Table Lamp is a refined and elegant lamp, capable of changing personality thanks to the three colourways: ochre, grey and dark red.

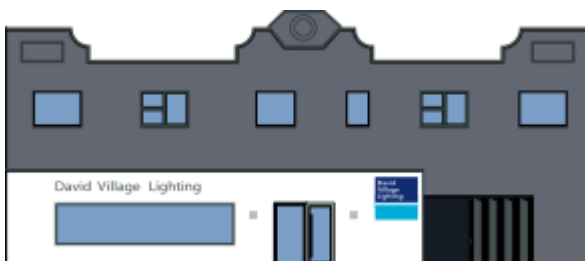

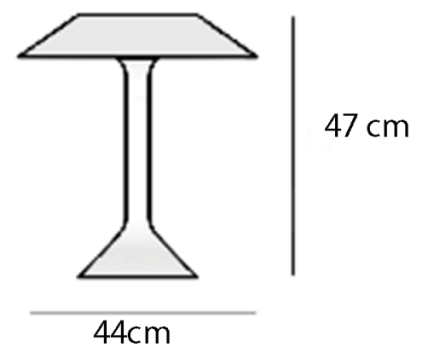

PRODUCT SPECIFICATION

Light Source: 7.5W, 2700K, 900 Lumens

IP Code: 20

Dimming: In line on/off switch on cable

Dimensions: Height: 47cm
Shade Diameter: 44cm
