### La Petite Table Lamp by Artemide

**BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.  
2 x Black Available.**

Part of the La Petite collection, the La Petite table lamp was designed by Andrea Quaglio and Manuela Simonelli for Artemide. The duo created their version of the classical lampshade and perfectly balanced it on an asymmetrical stem. A simple look, yet it conveys the technological skills of Artemide. The light benefits from dual diffusers, offering both a direct and indirect soft light. The lampshade acts as a counter balance for the tilted aluminium stem on the body.

La Petite also includes a [floor lamp](#) and a [wall light](#).
