The Brokis Shadows Pendant is another iconic design by Lucie Koldova, who took inspiration from classic lighting solutions found in French ateliers, creating these lights to pay tribute to their legacy. Shadows features a sleek hand-blown glass shade, often found in Brokis creations, and a handcrafted wooden body. Although just as striking when displayed individually, Brokis Shadows makes a statement when configured in clusters in larger spaces. This suspension light is a gorgeous addition to above dining tables, in stairwells, lobbies, and in larger living areas.
