Nuura Anoli Spot Recessed Wall / Ceiling Light

Nuura Anoli Wall/Ceiling Light was created by internationally awarded Danish lighting designer, Sofie Refer. Anoli Spot Light is a versatile and elegant lighting solution that can be easily mounted on ceilings or walls to enhance any decor seamlessly. Sofie Refer designed the wall/ceiling light in two colour options: black and white. Both colourways have a brass accent - the black version has brass on the inside, while the white version has brass on the wall attachment.

Anoli Spot Wall/Ceiling Light is an excellent choice when space is minimal as it provides bright task lighting from its adjustable arm. Suitable for use in residential and commercial settings, such as hallways, kitchens, and restaurants. [Anoli collection](#) also consists of a chandelier and a pendant version.
