KDLN Kushi Suspension Light

**Brand New, boxed in original packaging.
2 x Copper Available.**

The KDLN Kushi suspension was designed by Alberto Saggia & Valerio Sommella after being inspired by Japanese cuisine. Kushi, meaning skewer in Japanese, features a double-layered opal glass shade that appears to be skewered by a metal rod. This abstract shape emulates the simplicity of Japanese design as only two elements create this stunning fixture. The Kushi suspension can be hung above a table or hallway as an individual item or as a cluster. It adds a luxurious touch to your interior.
