PRODUCT DESCRIPTION

Designer: Carlo Urbinati & Alessandro Vecchiato

Folio Wall Light by Foscarini

**Brand New, boxed in original packaging.
1 x White Available.**

Designed by the founders of the Foscarini brand, the Folio wall light was one of the first designs from the company. Inspired by a piece of paper, the designers have created a wall light that looks like paper being stretched. The corners lip backwards towards the wall, creating a simplistic form that is made graphic and 3D. The wall lamp is mounted with a metal base which also houses the light source. The light then reflects off the wall and is diffused by the glass shade to produce a warm and practical glow. The Folio wall lamp is subtle and classic, being able to slip into any design scheme thanks to its white finish. Suitable for professional settings and homes, use in offices, corridors, lounges and more.
