PRODUCT DESCRIPTION

Designer: Simon Legald

Normann Copenhagen Pix Pendant

Normann Copenhagen Pix Pendant was designed by Simon Legald in 2022. The Pix Pendant has a timeless silhouette and a captivating, pixelated speckled surface made from 100% recycled plastic waste. The Pix Pendant's striking understated design is a testament to its exceptional craftsmanship by the specialists. Pix elevates the atmosphere to a new level by providing bright and clear illumination.

The Pix Pendant is available in four sizes ranging from Ø20cm to Ø60cm. Add a minimalistic and concentric element to any décor with this pendant whether it's displayed alone or in a cluster for an aesthetically pleasing display. Perfect for both commercial and residential environments, each pendant comes with a standard fabric cable suspended from a white ceiling canopy. Normann Copenhagen Pix is also available in a ceiling and wall light version to complete the [Pix collection](#).
