Normann Copenhagen Pix Ceiling Light

Normann Copenhagen Pix Ceiling Light was created by Danish designer, Simon Legald. Pix Ceiling Light has an ageless silhouette and a unique, speckled surface made entirely from 100% recycled plastic waste. The Pix ceiling light features a striking yet understated design, showcasing the exceptional craftsmanship of the specialists. Pix Ceiling Light provides bright and clear illumination to enhance any environment.

Pix Ceiling Light is available in four sizes which range between Ø20cm to Ø60cm. These minimalistic ceiling lights can be hung singularly or in a cluster for an elevated aesthetic in both commercial and residential settings. Each Pix Ceiling light comes with a canopy in silver-painted steel. Normann Copenhagen Pix Ceiling Light is also available in a pendant version: [Normann Copenhagen Pix Pendant](#).
