PRODUCT DESCRIPTION

Designer: Hans Thyge & Co

Normann Copenhagen Tub Wall Light

Normann Copenhagen Tub Wall light was created by Danish designer, Hans Thyge & co. Tub Wall Lights incorporate inspiration from nature with the minimalistic aesthetic element of Nordic innovation. Tub Wall Light features a contemporary shade elevating the ambience, which provides an even dispersion of light. Each lampshade has a slightly curved top that elegantly transitions into a stem, adorned with an electric cord, reminiscent of the silhouette of a fruit or plant. The shade can be easily adjusted to direct the illumination where you need it most, making Tub perfect as a bedside lamp or as a reading light in other rooms of the house.

Tub Wall Light has been cleverly constructed to be adaptable in all environments, be it commercial or residential. Its shade has clean and contemporary lines which provide a timeless aesthetically pleasing display. The Tub Wall Light is available in three different colourways: black, white and silver. The Wall Lights can be displayed uniformly within a hallway, library or next to a chair for reading. The Tub Pendant is also available in a pendant version: [Normann Copenhagen Tub pendant](#).

Please Note: The Normann Copenhagen Tub Wall Light comes with a cable and plug with an in-line on/off switch, but can be hardwired into the wall to become mains phase dimmable.

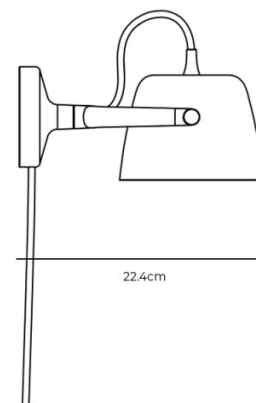

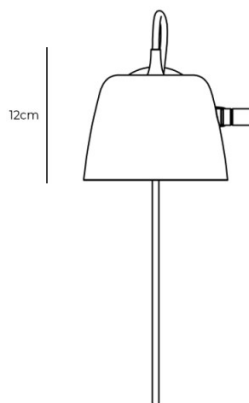

PRODUCT SPECIFICATION

Light Source: 1 x Max 4W G9 LED (Excluded)

IP Code: 20

Dimming: In-line on/off switch on the product.

Dimensions: Shade: Ø13cm
Depth: 22.5cm
