PRODUCT DESCRIPTION

Designer: Hans Thyge & Co

Normann Copenhagen Tub Pendant

Normann Copenhagen Tub Pendant was created by the Danish design group, Hans Thyge & co and combines inspiration from nature with the minimalistic aesthetic characteristic of Nordic innovation. The Tub Pendant features a lampshade available in three sizes and three finishes, combining sleek, simple lines with a monochromatic colour palette. These pendants by Normann Copenhagen can be displayed individually or in linear rows or clusters in both residential and commercial interiors. The illumination is projected downwards, making it ideal for above dining tables, kitchen islands and bedside tables.

The Normann Copenhagen Tub Pendant's organic form and cleverly simple design structure makes this pendant universal in all environments, both residentially or commercially. Its shade has clean and contemporary lines, providing a timeless, aesthetically pleasing display, perfect for dining rooms, kitchens, restaurants, bars, cafes and hotels. The Tub Pendant is part of the [Tub collection](#) which also offers a wall light version: [Normann Copenhagen Tub Wall Light](#).
