## **Nuura Liila 1 Outdoor Wall Light**

Nuura Liila 1 Outdoor Wall Light was created by Danish designer, Sofie Refer. Purposefully designed to be displayed and illuminated in entrance areas of homes, inside and outside to create a warm welcoming atmosphere. A thin round sheet of metal comprises the base and is topped with a glass globe from which a soft, evenly diffused light is spread on all surrounding areas. Liila 1 Outdoor is an extension of the Liila collection.

Liila 1 Outdoor Wall Light has been designed in two back plate colours and two glass shade options. The powder-coated back plates are available in black and dark bronze colourways whilst the glass shade can be either opal or clear etched. Liila 1 adds a touch of sophistication and luxury to any space, be it a home or a commercial establishment.
