PRODUCT DESCRIPTION

Designer: Axolight Lab

Axolight Sunday LED Ceiling Light

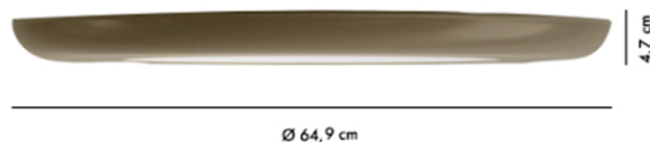

Axolight Sunday LED Ceiling Light was designed by Axolight Lab in 2023. Sunday's shape references a frisbee, a simple circular opening on the ceiling decorated with bright, bold colours. Sunday Ceiling Light is available in five stunning colours including desert white, greige, laguna aqua, earth red and intense black. This ceiling light is a masterpiece of form and function, blending style and practicality to offer a truly versatile lighting solution for any space.

The structure of the Sunday LED Ceiling Light is made entirely of metal and the light emission cavity is covered by a high transmittance opaline PMMA, which determines its efficiency, anti-glare and visual comfort. Sunday has been designed to add a touch of colour and minimalism to any space, be it a home or a commercial establishment. This minimalistic ceiling light has been designed to add a touch of refinement and opulence aesthetic to any space, be it residential or a commercial establishment.
