Lambert & Fils Waldorf Wall Light

Waldorf Wall Light was designed in-house by the experts at Lambert & Fils. The Waldorf Wall Light combines an open hemispherical shade with a cylindrical socket cover. This composite shade is deployed in suspension and wall-mounted configurations with natural brass and powder-coated rods. The contemporary wall light is designed with moving parts that add flexibility to its crisp and streamlined form. The unique design is a tribute to the thorough attention to detail and unwavering pledge to quality.

Waldorf Wall Light can be situated in a residential or commercial establishment thanks to its refined design and high-end finish making it stand out and add a touch of elegance to any interior. Waldorf Wall Light is perfect as a reading and task lamp which can be featured next to a bed or near the cosy chair in the corner of a room.
