PRODUCT DESCRIPTION

Designer: Klaus Begasse

Artemide Architectural Cuneo Wall Light

The Artemide Cuneo LED Outdoor Wall Light is a functional and versatile invention, designed by Klaus Bergasse the Cuneo utilises a satin-finished aluminium structure and methacrylate diffuser. Thanks to its IP65 rating, the Artemide Cuneo Wall Light can be utilised in outdoor settings - the LED light source is emitted either upwards or downwards, creating a wall-washer effect. Similarly, this luminaire can be installed on the ground to brighten paths, driveways or shrubbery.

This exterior wall light is an adaptable lighting solution, available in two sizes (Mini or Large) and three neutral finishes (Anthracite, Rust or White-Grey). Cuneo can easily adapt to a range of interior and exterior settings. Providing a unique illumination. The Cuneo LED Outdoor Wall Light can be displayed individually or in multiples for larger spaces.
