PRODUCT DESCRIPTION

Designer: Nordlux

Nordlux Marlee LED Wall Light

The Nordlux Marlee LED Wall Light is a great way to brighten up your bathroom. The slender diffuser is unobtrusive, providing a sleek modern aesthetic, whilst still offering functional downlighting. Marlee comes supplied with three mounting options: on your mirror, your wall or even a cabinet, offering versatility as well as style. #The IP-rated wall light is available in three stylish finishes (Black, White or Chrome) which can easily adapt to a range of modern interiors and personal styles.

The Marlee Wall Light can be installed individually or in multiples for larger spaces, not only is it an exceptional bathroom light but it also works as a stylish picture light in hallways, living rooms and dining spaces. It can be utilised in both residential and commercial interiors.

The Nordlux Marlee LED Wall Light can also be supplied with a colour temperature of 4000K, please [contact us](#) for more information and pricing.
