PRODUCT DESCRIPTION

Designer: CTO Lighting

CTO Lighting Nimbus Round Pendant

A dramatic yet elegant lighting solution. The CTO Lighting Nimbus Round Pendant combines retro and modern design. The shade consists of a multitude of hand-crafted fitted glass circles, that are effortlessly suspended from a metal structure, providing a cosy illumination. Because of the manufacturing process of these discs, each is completely unique. This rounded pendant features a curved silhouette, rather than the sharper shape of the [Nimbus Chandelier](#), which results in a softer character.

When turned off the CTO Lighting Nimbus Pendant boasts a sculptural form that almost appears as a work of art in your interior, when turned on it immediately stands out. Available in two sizes and two finishes to offer great versatility, these pendant lights can be used individually as a centrepiece above coffee tables, dining tables and kitchen islands, or in multiples to brighten larger interiors.

PRODUCT SPECIFICATION

Light Source: **Medium:** 4 x Max 25W E14 (excluded)
Large: 6 x Max 60W E27 (excluded)
