PRODUCT DESCRIPTION

Designer: Nordlux

Nordlux Clyde LED Pendant

**BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.
1 x Black Available.**

Slim Nordic design and innovative technology are combined in the most compelling way in the Clyde Pendant Light. Clyde has a built-in Moodmaker™ function, which allows you to adjust the light in three steps according to needs and situation from your regular wall switch.

If you have a long dining- or kitchen table, Clyde is the perfect pendant as the four light sources emit lots of light. With the thin design, the pendant does not cut the visibility or take up any unnecessary space in the room. Moreover, the built-in Moodmaker™ function enables you to change the light from a functional light when the kids are doing homework to a warm cosy light when eating dinner with friends and family.
