PRODUCT DESCRIPTION

Designer: Chiaramonte Marin

Brokis Dome Pendant Light

The Brokis Dome Pendant was designed by Chiaramonte Marin, who took inspiration from traditional Roman architecture. The shades of these pendants are crafted from layers of molten glass and allow you to choose between a smooth glass surface or a more detailed rippled shade. The glass is available in a range of colours and three sizes, and in each, the gentle illumination is cast forth from a modern LED source concealed beneath an opal diffuser. The result is a functional but glare-free downlight which is emitted towards the surface below.

The Dome Pendant is an elegant luminaire which can be displayed individually or in clusters, combining finishes and sizes for a more dramatic installation. It is a beautiful addition above dining tables, kitchen islands and bedside tables. Similarly, it can easily capture attention when installed in entryways, atriums, restaurants and hotel lobbies.

PRODUCT SPECIFICATION

Light Source: 17.5W, 2700K, 1617 Lumens

IP Code: 20

Dimming: Dimmable via mains phase dimming.

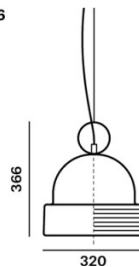

Dimensions: PC1346:
Shade Height: 36.6cm
Shade Width: 32cm

PC1347:
Shade Height: 44.6cm
Shade Width: 32cm

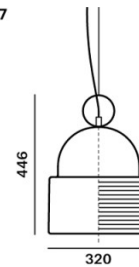

PC1348:
Shade Height: 52.5cm
Shade Width: 32cm

Cable Length: 220cm

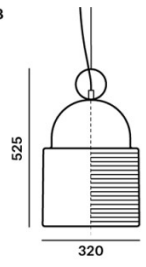

PC1346

PC1347

PC1348
