Slamp Lafleur LED Portable Lamp

Brand New, boxed in original packaging.

3 x Black Available.

1 x White Available.

Marc Sadler pushed the boundaries of Slamp's exclusive technopolymers, creating a new compositional language: the delicate, battery-powered LaFleur is a hand-moulded bloom, slowly sculpted using temperature-controlled Lentiflex. Available in two variations, either black with a velvet shade or white with a prisma shade - both versions feature a matte magnetic base, accompanied by a metal disc that firmly anchors the lamp under textiles for the perfect tablescape. This base also includes an integrated dimmer which allows you to personalise the lighting output to fit your mood. The battery lasts up to 60 hours, and can be recharged using a multi-port station fit for HO.RE.CA.
