Louis Poulsen PH 5 Mini Pendant Light

**BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.
1 x Hues of Orange Available.**

Poul Henningsen launched the PH 5 pendant as an answer to the constant change of bulb sizes by light manufacturers. After the success of his three-shade light system, Henningsen created the PH5 pendant light which no matter where you're sitting emits zero glare. This design is a smaller version of the iconic design, released in 2017 to continue the spirit of the iconic lighting solution and to make it suitable for any space. A perfect addition to bedrooms, workspaces, kitchens and dining spaces.
