Fontana Arte Tropico LED Table Lamp

Fontana Arte Tropico LED Table Lamp was created by design duo Gabriele and Oscar Buratti in 2017. Glass and metal shapes gather, enclose, and scatter light in the environment. Passing between opaline layers, accentuated by the refined curves and the magic of blown glass, the light can create surprising and fascinating effects, designs and atmospheres. Tropico is a spherical cap in opaque opaline glass, lowered and fixed by a large mirrored metal stud.

Tropico LED Table Lamp is available in three different coloured marbles: white, grey and black, providing great variety for your space. This versatile table lamp can be featured in both residential or commercial establishments, thanks to its refined design and high-end finish make it stand out and add a touch of elegance to any interior.
