PRODUCT DESCRIPTION

Designer: Gabriele and Oscar Buratti

Fontana Arte Tropico LED Wall Light

Fontana Arte Tropico LED Wall Light was created by Gabriele and Oscar Buratti. Glass and metal shapes come together to capture and disperse light in the surroundings. As light moves through layers of translucent glass, highlighted by elegant curves and the artistry of blown glass, it can produce unexpected and captivating patterns, designs, and moods. Tropico has a round shade made of opaque opaline glass and secured by a metal central button.

Tropico LED Wall Light's opaline blown glass diffuser is phase-cut dimmable, ideal for creating the perfect ambience in both commercial and residential spaces. The central metal disc is available in gold or black nickel-plated. Tropico LED Wall Light is available in two sizes: small and medium and therefore can be strategically positioned to produce an aesthetically pleasing sequence, resulting in a clean and striking ensemble.

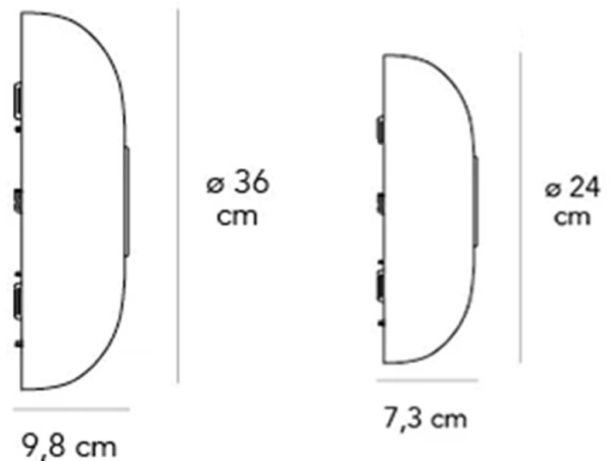

PRODUCT SPECIFICATION

Light Source: **Small** - 20.5W, 3000K, 2200 Lumens
Medium - 30.5W, 3000K, 3000 Lumens

IP Code: 20
