Flos IC C/W 2 Light

**BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.
1 x Chrome C/W2 Available.**

The larger Flos IC C/W2 is a ceiling/wall light available in the [Flos IC lights collection](#). The Flos IC wall and ceiling light was designed by Michael Anastassiades and plays with the idea of shape and balance. The wall/ceiling lamp is made from a glossy glass sphere which appears to balance on a metal rod, providing a soft and diffused light. The Flos IC ceiling/wall lamp has a discrete and perhaps even subtle design but when lit, it becomes the center of attention. Perfect for many settings, use in both the home and professional interiors to create a warming and inviting glow.
