PRODUCT DESCRIPTION

Bert Frank Colt LED Linear 5 Pendant

Bert Frank Colt LED Linear 5 Pendant was designed in 2024 as an extension of [Bert Frank Colt Triple LED Pendant](#). Each shade features a cast brass grill with slotted opal diffusers to create a glare-free effect. The shades are attached to a textured black finish bar suspended by a 200cm barely visible cable, giving the appearance of the structure floating.

Colt LED Linear 5 Pendant casts a soft glow on the ceiling and floor, creating a warm atmospheric space. The Colt LED Linear 5 Pendant is available in three metallic colourways: antique brass, brushed brass and dark bronze. This linear pendant can be showcased above a kitchen island or dining table, providing both decorative and functional lighting in both commercial and residential surroundings.
