Buster + Punch Forked Globe Ceiling Light

BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.
1 x Medium, Smoked Glass, Steel Available.
1 x Large, Opal Glass, Brass Available.

A beautiful combination of hand-blown glass and high-quality metal, the Buster + Punch Forked Globe Ceiling Light was designed by founder Massimo Minale in 2022. This ceiling light is crafted from a combination of cast, machine and hand spun solid metals, with a globe of either opal or smoked hand-blown glass - and of course it still features the iconic Buster + Punch knurling pattern and engraved signature.

The Forked Globe Ceiling Light coats your space in an ambient and even light emission, with a dimmable light bulb that allows you to personalise the intensity of the light output. This light is a spectacular addition to a wide range of spaces, installed individually or grouped together in rows and clusters for a more dramatic effect.

A Buster + Punch Forked-specific dimmable Buster Bulb is included but requires an LED-compatible dimmer switch.
