## Foscarini Rituals Floor Lamp

Foscarini Rituals Floor Lamp was designed in 2019 by Ludovica + Roberto Palomba. The Rituals floor lamp stands out for the generous dimensions of the blown glass diffuser and its full, warm and soft light. The floor lamp shades are made from hand-blown glass which has been embellished with thin engravings that are concurrently decorative and filtering light. Both shade shapes were inspired by traditional Oriental paper lanterns.

The Rituals Floor Lamp belongs to the [Foscarini Rituals Collection](#) which includes wall lights, table lamps, pendants and ceiling lights. This timeless and traditional floor lamp is decorative yet functional, able to adapt to contemporary interiors, whether commercial or residential.
