Foscarini Rituals Floor Lamp

Foscarini Rituals Floor Lamp was designed in 2019 by Ludovica + Roberto Palomba. The Rituals floor lamp stands out for the generous dimensions of the blown glass diffuser and its full, warm and soft light. These floor lamps draw their inspiration from traditional Oriental paper lanterns, made of hand-blown glass embellished with thin engravings that are concurrently decorative and filtering light.

The Rituals Floor Lamp belongs to the [Foscarini Rituals Collection](#) which includes wall lights, table lamps, pendants and ceiling lights. This timeless and traditional floor lamp is decorative yet still functional, able to adapt to contemporary interiors, whether commercial or residential.
