PRODUCT DESCRIPTION

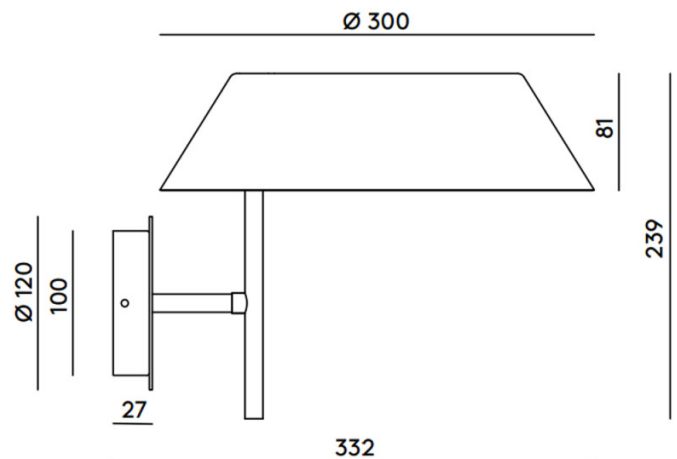

Designer: Arnold Salido

Aromas Del Campo Aider Wall Light

The Aromas Del Campo Aider Wall Light is an elegant and unobtrusive lighting solution with a metal angled stem and glossy black shade, the design by Arnold Salido also utilises rattan detailing to add a touch of warmth to the structure. The abstract stem and wall plate are available in either a satin nickel finish or matt brass. The illumination from the Aromas Del Campo Aider Wall Light is gently projected downwards, providing a glare-free downlight that can be easily dimmed in order to generate an atmosphere that is perfect for you and your needs.

An ideal luminaire for hallways, entrances, bedsides, next to your sofa or in dining spaces. The Aider Wall Light is also a stylish addition to commercial interiors such as hotels, restaurants, bars and communal office spaces. Install the wall light independently or pair it with other lighting solutions in the collection for a cohesive interior.
