Flowerpot VP9 LED Portable Table Lamp by &Tradition

**BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.
5 x Stone Blue Available.**

A part of the renowned [&Tradition Flowerpot collection](#), the Flowerpot VP9 light is a portable LED lamp that can be used both indoors and outdoors. The portable light has a USB charger cable included in the purchase and will operate for 11 hours on the highest light setting after being fully charged.

The Flowerpot VP9 portable LED lamp has a design from 1968 by Verner Panton, being an iconic and stylish light that harks back to the flower power movement from the 1960s. The lampshade is made from two hemispheres which work together to conceal and reflect the light source, providing a warm, soft glow for the space. The lamp can be moved and used in virtually in any space, and has a 44 IP class rating so it is durable and protected, but it must be stored indoors. Do not miss out on this functional, versatile and stunning lamp!
