PRODUCT DESCRIPTION

Astro Ako 600 Phase Wall Light

The Astro Ako 600 Phase Wall Light is an elegant and minimalistic lighting solution, providing functional uplighting and downlighting that is filtered through an opalescent polycarbonate diffuser. Ako adds a luxurious, architectural accent to the walls of corridors, kitchens, dining spaces and even living rooms. This contemporary wall fixture is easily dimmable, meaning you can easily personalise the lighting output to suit your environment and needs.

Ako is a stylish addition to both residential and commercial areas with the varying finishes allowing it to adapt to numerous interior styles. The outer finish of the Astro Ako Wall Light is available in either a black or white finish with the gold interior producing a warming effect.
