PRODUCT DESCRIPTION

Designer: Hvidt & Mølgaard

&Tradition Tripod Wall Light

The &Tradition Tripod HM12 Wall Light is a 2024 addition to the collection, inspired by sketches of the original lamp by Hvidt & Mølgaard. The Tripod Wall Lamp remains true to the essence of the collection's design, boasting smooth clean lines, a minimalistic colour palette and an easily adjustable shade that allows you to direct the illumination.

Crafted from lacquered aluminium, the &Tradition Tripod Wall Light is anchored to the wall by a spherical base that establishes a visually solid foundation, whilst emitting a downward-directed glow that works perfectly as a bedside reading lamp, over a side table and even in modern workspaces. It can also be an elegant addition to commercial spaces in the hospitality sector such as hotels, restaurants and cafes. The minimalist silhouette of the Tripod Wall Light and the sleek black or white finishes make this light a perfect choice for many settings.
