PRODUCT DESCRIPTION

Designer: Tom Chung

Audo Copenhagen Cast Sconce IP Rated Wall Light

A higher protected version of the original Cast Sconce, the new IP-rated variation was specifically designed for bathrooms and exterior settings. The design is courtesy of Tom Chung who drew inspiration from archetypal forms and simple, meaningful elements, the lamp echoes the enduring aesthetic of ancient tools while maintaining a modern, minimalist appeal.

The conical shade of the Cast IP-rated Sconce Wall Light is fitted with a circular diffuser at the base, filtering the LED light source and resulting in a soft glare-free downlight. In black metal with brass detailing it embodies Audo Copenhagen's soft minimalism with a smooth, tactile finish offset by the strict geometric forms. The minimalistic colour palette allows this modern wall light to adapt to a range of settings and personal styles.
