Louis Poulsen PH 2/1 Table Lamp Limited Edition

The limited edition PH 2/1 Table Lamp by Louis Poulsen boasts an aged brass structure with a shade made of numerous layers of mouth-blown terracotta-coloured glass. The Louis Poulsen PH 2/1 Limited Edition Table Lamp is controlled via an on/off switch on the base of the silhouette, alongside the mark of authenticity - an engraved Poul Henningsen signature.

This elegant lamp combines high-quality materials with a timeless aesthetic, whilst utilising the brand's iconic multi-tiered system which provides an extra diffuser around the light source for a glare-free lighting experience. The result is a cosy illumination that can be used in a range of interiors, specifically in bedrooms, living areas, dining spaces and hallways.
