Design For The People Glossy Table Lamp

EX-DISPLAY, BOXED IN B-GRADE ORIGINAL PACKAGING. MINOR SIGNS OF WEAR AND TEAR. SEE IMAGES FOR EXACT CONDITION.
1 x Grey Available.

Designed by Maria Bernsten, the Glossy table lamp is the definition of elegance. The combination of natural materials such as marble, brass and glass makes this lamp incredibly sophisticated, a design that oozes Nordic minimalism. Glossy takes its name from the shiny white opaline glass surface of its lampshade which gently distributes a soft and pleasant down light towards the floor, providing a beautiful indirect light in your room.

This lamp can be placed flexibly and enhances any environment, it may be simple but it still stands tall as an aesthetic eye-catcher in your interior. Glossy is a perfect addition to a modern workspace or office, a minimalistic living area, a hallway or even your bedroom.
