PRODUCT DESCRIPTION

Lodes Medium Sky-Fall Pendant Light

**BRAND NEW, DISCONTINUED, ORIGINAL PACKAGING.
1 x Chrome Available.**

The Lodes Sky-Fall pendant is a beautiful and elegant pendant, made from a chrome metal structure and blown glass. Appearing metallic when switched off, the diffuser becomes more transparent as the light is switched on, making a lovely, warming effect. The pendant is characterised by its globular shape, having smooth, curved lines that are striking and eye-catching. The Sky-Fall pendant light has 2 built-in LED lights which make the light shine both at the top and the bottom, creating an all-round illumination. The downward lightbulb is directed which is good for lighting tables and lounge spaces, whilst the top lightbulb creates an indirect ambient light which makes the room glow.
