PRODUCT DESCRIPTION

Designer: Monika Mulder

Pholc Hans Table Lamp

A sleek design by Monika Mulder, the Pholc Hans Table Lamp is a beautiful addition to residential and commercial interiors. For this table lamp Mulder drew inspiration from movement, specifically the movement of a wave through the sea, it creates a striking look with its black finish and curved silhouette. It is named after the designer Hans Wegner as it carries a similar shape to that of his Swivel Chair.

The light source is emitted downwards thanks to the shape of the shade and produces a functional downlight that makes an exceptional task light on your desk, whilst the in-line on/off switch allows you to easily control the output of light. The Pholc Hans Table Lamp can perfectly adapt to entryways, living rooms, reading nooks and workspaces - it can be used individually or alongside other lighting solutions in the collection for a more cohesive aesthetic.

PRODUCT SPECIFICATION

Light Source: 1 x 20W G9 (excluded)

IP Code: 20

Dimming: In-line on/off switch on the cable.

Dimensions: Height: 40cm
Width: 35cm
Cable Length: 200cm
